MANAGEMENT INFORMATION CIRCULAR

This management information circular (the “**Information Circular**”) is furnished in connection with the solicitation of proxies by or on behalf of the management of DelphX Capital Markets Inc. (the “**Corporation**”) for use at the annual and special meeting (the “**Meeting**”) of the shareholders of the Corporation (the “**Shareholders**”) to be held by way of teleconference on Wednesday, June 30, 2021 at 11:00 a.m. (Eastern time), and at all postponements or adjournments thereof, for the purposes set forth in the accompanying Notice of Meeting. All dollar amounts in this Information Circular are expressed in Canadian dollars, unless otherwise indicated. Unless otherwise stated, the information contained in this Information Circular is given as at June 1, 2021.

THE CORPORATION

DelphX Capital Markets Inc. was incorporated under the laws of the province of British Columbia on October 21, 2016 and continued under the laws of the province of Ontario on December 24, 2018. The head and registered office of the Corporation is currently located at 15 Prince Arthur Ave., Toronto, Ontario, M5R 1B2.

The Corporation is a reporting issuer in the provinces of British Columbia, Alberta and Ontario and the common shares of the Corporation (the “**Shares**”) are listed for trading on the TSX Venture Exchange, under the trading symbol “DELX”.

PROXY SOLICITATION AND VOTING

Solicitation of Proxies

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder’s behalf in accordance with the instructions given by the Shareholder in the proxy. The solicitation of proxies for the Meeting will be made primarily by mail, but proxies may also be solicited personally, electronically or by telephone by the directors, officers, employees or consultants of the Corporation.

Arrangements will also be made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation material to the beneficial owners of Shares pursuant to the requirements of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer*.

The Corporation will bear the total cost in respect of the solicitation of proxies for the Meeting and will bear the legal, printing and other costs associated with the preparation of this Information Circular.

Appointment of Proxyholders and Revocation of Proxies

The persons named in the enclosed form of proxy are officers of the Corporation. **A Shareholder who wishes to appoint some other person (who need not be a Shareholder), to represent him or her at the Meeting may do so by crossing out the persons named in the proxy and inserting such person’s name in the blank space provided in the form of proxy or by completing another proper form of proxy.** Such Shareholder should notify the nominee of the appointment, obtain the nominee’s consent to act as proxyholder, and provide instructions on how the Shareholder’s Shares are to be voted.

To be valid, the proxy must be dated and executed by the Shareholder or his or her attorney authorized in writing, with proof of such authorization attached (where an attorney executed the proxy) or, if the

Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. Persons signing as officers, attorneys, executors, administrators, trustees, etc., should so indicate and provide satisfactory evidence of such authority.

The proxy must then be delivered to the Corporation's registrar and transfer agent, Computershare Investor Services Inc. ("**Computershare**"), Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by telephone or Internet, following the instructions on the form of proxy, at least 48 hours, excluding Saturdays, Sundays and holidays, before the time of the Meeting or any adjournment thereof. Proxies received after that time may be accepted by the Chairman of the Meeting in the Chairman's discretion, but the Chairman is under no obligation to accept late proxies.

If the Meeting is adjourned, proxies must be deposited at least 48 hours (excluding Saturdays, Sundays and holidays) before the time set for any reconvened meeting at which the proxy is to be used or be deposited with the Chair prior to the commencement of the Meeting or any reconvened meeting.

Any registered Shareholder who has returned a proxy may revoke it at any time before it has been exercised. A Shareholder who has given a proxy may revoke the proxy: (a) by completing and signing a proxy bearing a later date and depositing it with the registrar and transfer agent noted above; (b) by depositing an instrument in writing executed by the Shareholder or by his or her attorney authorized in writing: (i) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof; or (ii) with the chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment thereof; or (c) in any other manner permitted by law. **Only registered Shareholders have the right to revoke a proxy. Non-registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective nominees to revoke the proxy on their behalf.**

Voting of Proxies

Each Shareholder may instruct their proxyholder how to vote their Shares by completing the blanks on the proxy. All Shares represented at the Meeting by properly executed proxies will be voted or withheld from voting and, where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the Shares represented by the proxy will be voted in accordance with such specification.

The persons appointed under the form of proxy are conferred with discretionary authority with respect to amendments to or variations of matters identified in the form of proxy and Notice of Meeting and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the meeting, it is the intention of the persons designated in the enclosed form of proxy to vote in accordance with their best judgment on such matter or business. At the time of the printing of this Information Circular, the directors of the Corporation knew of no such amendments, variations or other matters.

INFORMATION FOR BENEFICIAL SHAREHOLDERS

Shares may be registered in the name of CDS & Co. ("CDS") (as nominee of The Canadian Depository for Securities Limited, which acts as a depository for many Canadian brokerage firms). Shares registered in the name of CDS can only be voted at the Meeting upon the instructions of the beneficial holder (the "**Beneficial Holder**") of those Shares. Therefore, Beneficial Holders should ensure that instructions in respect of the voting of their Shares are communicated to the appropriate party.

In Canada brokers and other intermediaries are required to seek voting instructions from Beneficial Holders in advance of shareholders' meetings. Every broker or other intermediary has its own mailing procedures

and provides its own return instructions, which should be carefully followed by Beneficial Holders in order to ensure that their Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Holder by its broker is identical to that provided to registered shareholders, but its purpose is limited to instructing the registered shareholder how to vote on behalf of the Beneficial Holder. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Investor Communication Solutions, Canada (“**Broadridge**”). Broadridge normally prepares a “Voting Instruction Form” based on the Corporation’s form of proxy which it then distributes to Beneficial Holders. **The Voting Instruction Form must be returned to Broadridge by the Beneficial Holder in order for the Beneficial Holder’s voting instructions to be acted upon.** Broadridge will tabulate all instructions received by it and provide appropriate instructions in respect of the voting of the Shares. **A Beneficial Holder who receives a Voting Instruction Form cannot use that form to vote Shares directly at the Meeting. The Voting Instruction Form must be returned to Broadridge well in advance of the Meeting to have the Shares voted at the Meeting.**

HOW TO VOTE YOUR SHARES

Your vote is important. Please read the information below so that your Shares are properly voted.

You are a non-registered Shareholder if an intermediary such as a securities dealer, broker, bank, trust company or other nominee holds your Shares for you, or for someone else on your behalf, registered in the name of CDS. In accordance with applicable securities laws, the Corporation distributes copies of its Meeting materials to non-registered Shareholders directly or to intermediaries for onward distribution to non-registered Shareholders. As a non-registered Shareholder, you will most likely receive a Voting Instruction Form from Broadridge on behalf of an intermediary. It is also possible, however that, in some cases you may receive a form of proxy directly from the securities dealer, broker, bank, trust company or other nominee holding your Shares.

If you have received a Voting Instruction Form from Broadridge, please complete and submit your vote by phone, internet or mail in accordance with the instructions provided to you on the form prior to the deadline specified by Broadridge.

Revoking a Voting Instruction Form or Proxy

If you wish to revoke a Voting Instruction Form or a form of proxy as to any matter on which a vote has not already been cast pursuant to its authority and you received your Voting Instruction Form from Broadridge, and voted by phone or internet, you may vote again by phone or internet prior to the deadline specified by Broadridge. If you received your Voting Instruction Form from Broadridge and voted by mail, please contact your account service provider at your intermediary for instructions should you wish to revoke your Voting Instruction Form.

(c) Appointment of Auditors

It is proposed that Davidson and Company LLP, Chartered Professional Accountants, be appointed as auditors of the Corporation for the ensuing year, and that the directors of the Corporation be authorized to fix their remuneration. Davidson and Company LLP have been the auditors of the Corporation since June 4, 2020.

It is the intention of the management appointees, if named as proxy, to vote FOR the appointment of Davidson and Company LLP as auditors of the Corporation and the authorization of the directors to fix their remuneration.

On June 4, 2020, the Corporation's former auditor, Zeifmans LLP, Chartered Professional Accountants, resigned as auditors of the Corporation at the request of the Corporation. On June 4, 2020, a Notice of Change of Auditor was distributed stating that the Corporation appointed Davidson and Company LLP, Chartered Professional Accountants, as auditors of the Corporation and confirming that there were no modified opinions expressed in the former auditor's reports on any of the financial statements of the Corporation and there were no reportable events (as defined in section 4.11 of National Instrument 51-102 – *Continuous Disclosure Obligations*). On June 12, 2020, Davidson and Company LLP delivered a letter to the Corporation indicating that it had reviewed the Notice of Change of Auditor and was in agreement with the statements contained in such notice.

Attached as Schedule "A" to this Information Circular is a copy of the Reporting Package for Change of Auditor pursuant to National Instrument 51-102 – *Continuous Disclosure Obligations*.

(d) Confirmation of Stock Option Plan

The Corporation's incentive stock option plan (the "**Stock Option Plan**"), attached as Schedule "B" to this Information Circular, has been operated as a "rolling plan", which must be approved on an annual basis under the policies of the TSX Venture Exchange (the "**TSXV**"). Accordingly, Shareholders will be asked to consider and, if deemed advisable, to pass an ordinary resolution, with or without amendment, to approve and confirm the renewal of the Stock Option Plan of the Corporation.

The purpose of the Stock Option Plan is to attract and retain employees, consultants, officers and directors to the Corporation and to motivate them to advance the interests of the Corporation by affording them with the opportunity to acquire an equity interest in the Corporation through options to purchase Shares. The Board may, in accordance with the Stock Option Plan, from time to time, in its discretion, and in accordance with the rules and regulations of the TSXV, grant to directors, officers, employees or consultants ("**Optionee**") of the Corporation non-transferable options to purchase Shares for a period of up to five (5) years from the date of the grant. Each Option granted under the Stock Option Plan is nonassignable and non-transferable.

The aggregate number of Shares which may be subject to issuance pursuant to options granted under the Stock Option Plan, inclusive of all other stock options outstanding shall be not greater than 10% of the shares issued and outstanding on the date of the grant of such options. Unless authorized by shareholders of the Corporation, the Stock Option Plan, together with all of the Corporation's other previously established or proposed stock options, stock option plans, employee stock purchase plans or any other compensation or incentive mechanisms involving the issuance or potential issuance of Shares, shall not result, at any time, in: (a) the number of Shares reserved for issuance pursuant to stock options exceeding 10% of the issued and outstanding Shares; (b) the issuance to insiders, as interpreted in accordance with Canadian securities laws ("**Insider**"), within a one-year period, of a number of Shares exceeding 10% of

the issued and outstanding Shares; (c) the issuance to any one Insider, and such Insider's associates, within a one-year period, of a number of Shares exceeding 5% of the issued and outstanding Shares; (d) the issuance to any one consultant, within a one-year period, of a number of Shares exceeding 2% of the issued and outstanding Shares; or (e) the issuance to all persons retained to provide investor relations activities of a number of Shares exceeding 2% of the issued and outstanding Shares in any one-year period.

If any Option granted under the Stock Option Plan expires or terminates for any reason without having been exercised in full, the unpurchased shares subject thereto will again be available for the purpose of the Stock Option Plan. If an Optionee ceases to be engaged as a director, officer, consultant or employee by the Corporation for any reason other than death, such director, officer, consultant or employee shall have such rights to exercise any option not exercised prior to such termination as determined by the Board, up to 90 days after the date of termination. In the case of an Optionee's death, the Optionee's legal representatives may, within the lesser of one year from the date of the Optionee's death or the expiry date of the option, exercise that portion of an option granted to the Optionee under the Stock Option Plan, which remains outstanding.

The exercise price of the Shares covered by each Option will be determined by the Board or a committee authorized and directed thereby. The exercise price will not be less than the last closing price of the Shares on the TSXV before the date of the Board's approval of the grant of the options.

The text of the ordinary resolution which management intends to place before the Meeting for the approval of the Stock Option Plan is as follows:

“BE IT RESOLVED, as an ordinary resolution, that:

1. The stock option plan (the “**Stock Option Plan**”) of the Corporation, substantially in the form attached as Schedule “B” to the information circular of the Corporation dated June 1, 2021 be and is hereby approved and confirmed as the stock option plan of the Corporation;

3. any officer or director of the Corporation be and is hereby authorized and directed for and on behalf of the Corporation (whether under its corporate seal or otherwise) to execute, deliver and file all such documents and to take all such other action(s) as may be deemed necessary or desirable for the implementation of this resolution and any matters contemplated thereby.”

The Board has concluded that the confirmation of the Stock Option Plan is in the best interests of the Corporation and its Shareholders. Accordingly, the Board unanimously recommends that the Shareholders approve and confirm the Stock Option Plan, by voting in favour of this resolution at the Meeting.

(e) Approval and Confirmation of the Corporation's By-laws

At the Meeting, Shareholders will be asked to consider, and, if deemed advisable, to pass an ordinary resolution (the “**By-law Resolution**”), with or without amendment, to approve and confirm By-law No. 1 of the Corporation (“**By-law**”). The By-law is attached as Schedule “C” to this Information Circular. The text of the ordinary resolution which management intends to place before the Meeting for the approval of the By-law Resolution is as follows:

“BE IT RESOLVED, as an ordinary resolution, that:

1. By-law No. 1 of the Corporation, as approved by the board of directors of the Corporation, is hereby approved and confirmed without amendment; and
2. any officer or director of the Corporation be and is hereby authorized and directed for and on behalf of the Corporation (whether under its corporate seal or otherwise) to execute, deliver and file all such documents and to take all such other action(s) as may be deemed necessary or desirable for the implementation of this resolution and any matters contemplated thereby.”

The Board has concluded that the By-law Resolution is in the best interests of the Corporation and its Shareholders. Accordingly, the Board unanimously recommends that the Shareholders approve the By-law Resolution, by voting in favour this resolution at the Meeting.

(f) Other matters

The Corporation knows of no other matters to be submitted to Shareholders at the Meeting. If any other matters properly come before the Meeting, it is the intention of the persons named in the enclosed form of proxy to vote the Shares they represent in accordance with their judgement on such matters.

Oversight and Description of Director and Named Executive Officer Compensation

The Corporation has not had any revenues from operations. As a result, the Corporation has to consider not only the Corporation's financial situation at the time of the determination of executive compensation, but also the Corporation's estimated financial situation in the mid- and long-term.

The Corporation's executive compensation program is informal at this time and is administered by the Corporation's Board. The Board informally discusses and approves the executive compensation that is competitive in order to attract, motivate and retain highly skilled and experienced executive officers, to provide fair and competitive compensation, to align the interest of management with those of shareholders and to reward corporate and individual performance.

The Corporation's executive compensation program has three principal components: base salary, incentive bonuses and incentive stock options.

When appropriate to do so, incentive bonuses in the form of cash payments, are designed to add a variable component of compensation, in addition to stock options, based on corporate and individual performances, and may or may not be awarded in any financial year.

The Corporation notes that it is in a development stage with respect to its business, has to operate with limited financial resources, and must control costs to ensure that funds are available to complete its business plans and otherwise fund its operations. The Board has to consider the current and anticipated financial position of the Corporation at the time of any compensation determination. The Board has attempted to keep the cash compensation paid to the Corporation's Named Executive Officers relatively modest, and will provide long-term incentives through the granting of stock options.

Pension Disclosure

The Corporation does not have any pension plans that provide for payments or benefits to the directors or Named Executive Officers at, following, or in connection with retirement, including any defined benefits plan or any defined contribution plan. The Corporation does not have a deferred compensation plan with respect to any director or Named Executive Officer.

All of the directors and officers may receive Options pursuant to the Stock Option Plan. See "*Matters to be Acted on at the Meeting – Approval of Stock Option Plan*".

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

To the best of the Corporation's knowledge, since the commencement of the Corporation's most recently completed financial year, no informed person of the Corporation (a director, officer or holder of 10% or more of the Shares) or nominee for election as a director or any associate or affiliate of an informed person or proposed nominee, had any material interest, direct or indirect, in any transaction or any proposed transaction which has materially affected or would materially affect the Corporation or any of its subsidiaries.

CORPORATE GOVERNANCE

General

National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) requires the Corporation to disclose, on an annual basis, its approach to corporate governance with reference to the guidelines provided in National Policy 58-201 - *Corporate Governance Guidelines* (the “**Guidelines**”).

The Board and the management of the Corporation (“**management**”) recognize that effective governance practices are fundamental to the long-term success of the Corporation. Sound governance contributes to Shareholder value through increased confidence. The Board and management are, therefore, committed to maintaining a high standard of governance in substantial conformity with the Guidelines.

Board

Independence of the Board is essential to the Board fulfilling its role in overseeing the Corporation’s business and affairs. The Board facilitates its exercise of independent supervision over the Corporation’s management through frequent meetings of the Board. The Board is currently comprised of four (4) directors, two (2) of whom are independent and two (2) of whom are not independent. Steven Mannik and Keith Ainsworth are each independent members in that they do not have a direct or indirect material relationship with the Corporation or one which could, in the view of the Board, be reasonably expected to interfere with the exercise of a member’s independent judgment.

Patrick Wood and A. Gordon Jardin are not considered independent members as they are all officers of the Corporation. Each of the Directors listed above are being nominated as Directors for the ensuing year.

Orientation and Continuing Education

The Corporation does not currently have an orientation or continuing education program for new directors.

Ethical Business Conduct

The Board is of the view that the fiduciary duties placed on individual directors pursuant to corporate legislation and the common law, and the conflict of interest provisions under corporate legislation which restricts an individual director’s participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Nomination of Directors

The Board as a whole is responsible for nominating new members of the Board and assessing members of the Board on an ongoing basis. The Board considers succession planning (including appointment of senior management). The Board annually reviews the general and specific criteria to consider when directors are being appointed to the Board. The objective of this review is to recommend that appointments be made to provide the best mix of skills and experience to guide the long-term strategy and ongoing business operations of the Corporation. The review takes into account the desirability of maintaining a balance of skills, experience and background, with appropriate diversity, along with the key common characteristics required for effective participation.

Compensation

The Board of Directors, as a whole, reviews the compensation of the Named Executive Officers and the directors.

Other Board Committees

The Board has no standing committees other than the Audit Committee.

Assessments

The Board of Directors takes steps to satisfy itself that the Board of Directors, the Audit Committee and individual directors are performing effectively by providing each director with the opportunity to attend all meetings either in person or by teleconference at the cost of the Corporation.

SECTION 6 – PROTECTION OF DIRECTORS, OFFICERS AND OTHERS

6.1 Indemnity

(1) The Corporation shall indemnify a Director or officer of the Corporation, a former Director or officer of the Corporation or another individual who acts or acted at the Corporation's request as a Director or officer (or an individual acting in a similar capacity) of another entity, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by the individual in respect of any civil, criminal, administrative, investigative or other proceeding in which the individual is involved because of that association with the Corporation or other entity.

SECTION 8 – MEETINGS OF SHAREHOLDERS

8.1 Meeting Held by Electronic Means

- 1) Any person entitled to attend a meeting of shareholders may vote and otherwise participate in the meeting by means of a telephonic, electronic or other communication facility made available by the Corporation that permits all participants to communicate adequately with each other during the meeting. A person participating in a meeting of shareholders by such means is deemed to be present at the meeting.
- 2) Directors who call (but not shareholders who requisition) a meeting of shareholders may determine that:
 - (a) the meeting shall be held, in accordance with the regulations, entirely by means of a telephonic, electronic or other communication facility that permits all participants to communicate adequately with each other during the meeting; and
 - (b) any vote shall be held, in accordance with the regulations, entirely by means of a telephonic, electronic or other communication facility that the Corporation has made available for that purpose.
- 3) Any vote at a meeting of shareholders may be carried out by means of a telephonic, electronic or other communication facility, if the facility:
 - (a) enables the votes to be gathered in a manner that permits their subsequent verification; and
 - (b) permits the tallied votes to be presented to the Corporation without it being possible for the Corporation to identify how each shareholder or group of shareholders voted.

8.2 Notice of Meeting

Subject to paragraph 8.3, notice of the time and place of any meeting of shareholders must be sent within the prescribed period in the manner described in paragraph 9.1 to each shareholder of the Corporation entitled to vote at the meeting, to each Director and to the auditor of the Corporation.

8.3 Failure to Give Notice and Waiver of Notice

The accidental omission to send notice of any meeting to, or the non-receipt of any notice by, any of the persons entitled to notice does not invalidate any proceedings at that meeting. A shareholder of the Corporation or any other person entitled to attend a meeting of shareholders may in any manner waive notice of a meeting of shareholders, and their attendance at a meeting of shareholders is a waiver of notice of the meeting, except where they attend a meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called.

8.4 Record Date for Notice

The Directors may fix in advance a date as the record date for the purpose of determining shareholders entitled to receive notice of a meeting of shareholders or entitled to vote at a meeting of shareholders in accordance with the requirements of the Act.

8.5 Persons Entitled to be Present

The only persons entitled to be present at a meeting of the shareholders shall be those entitled to attend or vote at the meeting, the Directors, auditor, legal counsel of the Corporation and others who, although not entitled to attend or vote, are entitled or required under any provision of the Act, the Articles or By-laws to be present at the meeting. Any other person may be admitted only on the invitation of the chair of the meeting or with the consent of the meeting.

8.6 Quorum

Subject to the Act and the Articles, the quorum for the transaction of business at a meeting of shareholders is two persons present in person and holding or representing by proxy at least 5% in the aggregate of votes attached to all of the issued shares entitled to be voted at the meeting. A quorum need not be present throughout the meeting provided that a quorum is present at the opening of the meeting. If a quorum is not present at the time appointed for the meeting or within a reasonable time after that the shareholders may determine, the shareholders present or represented may adjourn the meeting to a fixed time and place but may not transact any other business.

8.7 Chair and Secretary

The chair of any meeting of shareholders shall be the Director present at the meeting who holds the office of Chair of the Board or President. If no such officer is present within 15 minutes from the time fixed for holding the meeting, the persons present and entitled to vote shall choose one of their number to be chair. If the secretary of the Corporation is absent, the chair shall appoint a person, who need not be a shareholder, to act as secretary of the meeting.

8.8 Votes to Govern

At any meeting of shareholders, every question shall, unless otherwise required by the Articles, By-laws, or by law, be determined by a majority of the votes cast on the question. In case of an equality of votes at any meeting of shareholders either on a show of hands or on a poll, the chair of the meeting shall not be entitled to a second or casting vote.

8.9 Show of Hands

Subject to the Act, any question at a meeting of shareholders shall be decided by a show of hands, unless a ballot is required or demanded. On a show of hands, every person who is present and entitled to vote shall have one vote. Whenever a vote by show of hands has been taken on a question, unless a ballot is demanded, an entry in the minutes of a meeting of shareholders to the effect that the chair declared a resolution to be carried or defeated is, in the absence of proof to the contrary, proof of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution.

8.10 Ballots

On any question proposed for consideration at a meeting of shareholders, and whether or not a show of hands has been taken on it, the chair may require a ballot or any person who is present and entitled to vote on the question at the meeting may demand a ballot. A ballot so required or demanded shall be taken in such manner as the chair shall direct. A requirement or demand for a ballot may be withdrawn at any time before the ballot is taken. If a ballot is taken, each person present shall be entitled, in respect of the shares which he or she is entitled to vote at the meeting on the question, to that number of votes provided by the Act or the Articles, and the result of the ballot so taken shall be the decision of the shareholders on the question.

8.11 Resolution in Lieu of Meeting

A resolution in writing signed by all the shareholders entitled to vote on that resolution at a meeting of shareholders is as valid as if it had been passed at a meeting of the shareholders unless, in accordance with the Act:

- (a) In the case of the resignation or removal of a Director, or the appointment or election of another person to fill the place of that Director, a written statement is submitted to the Corporation by the Director giving the reasons for his or her resignation or the reasons why he or she opposes any proposed action or resolution for the purpose of removing him or her from office or the election of another person to fill the office of that Director; or
- (b) In the case of the removal or resignation of an auditor, or the appointment or election of another person to fill the office of auditor, representations in writing are made to the Corporation by that auditor concerning its proposed removal, the appointment or election of another person to fill the office of auditor or its resignation.

8.12 Only One Shareholder

Where the Corporation has only one shareholder or only one holder of any class or series of shares, the shareholder present in person or duly represented constitutes a meeting.

SECTION 9 – NOTICES

9.1 Method of Giving Notices

Any notice (which term includes any communication or document) to be given (which term includes sent, delivered or served) pursuant to the Act, the regulations, the Articles, the By-laws, or otherwise to a shareholder, Director, officer, auditor or member of a committee of the Board shall be sufficiently given if delivered personally to the person to whom it is to be given or if mailed to him or her at his or her recorded address by prepaid, ordinary or air mail, or if sent to him or her at his or her recorded address by means of any telephonic, electronic or other communication facility. A notice so delivered shall be deemed to have been given when it is delivered personally and a notice so mailed shall be deemed to have been given on the fifth day after it is deposited in a post office or public letter box. A notice sent by any means of electronic or recorded telephonic communication shall be deemed to have been given when dispatched or delivered to the appropriate communication company or agency. The secretary may change or cause to be changed the recorded address of any shareholder, Director, officer, auditor or member of a committee of the Board in accordance with any information believed by him or her to be reliable.

SECTION 10 – EFFECTIVE DATE

10.1 Effective Date

These By-laws shall come into force when made by the Board in accordance with the Act.

10.2 Repeal

All previous By-laws of the Corporation are repealed as of the coming into force of these By-laws. The repeal shall not affect the previous operation of any By-laws so repealed or affect the validity of any act done or right, privilege, obligation or liability acquired or incurred under, or the validity of any contract or agreement made pursuant to, or the validity of any Articles or predecessor charter documents of the Corporation obtained pursuant to, any such By-laws before its repeal. All officers and persons acting under any By-laws so repealed shall continue to act as if appointed under the provisions of these By-laws, and all resolutions of the shareholders or the Board or a committee of the Board with continuing effect passed under any repealed By-laws shall continue to be good and valid except to the extent inconsistent with these By-laws and until amended or repealed.
